

***BAILLET LATOUR* GRANT for MEDICAL RESEARCH  
(GMR)**

**APPLICATIONS are INVITED for a GMR of**

**€ 150,000/year for up to five years**

**on the theme: *Metabolic Disorders***

This grant will be awarded in April 2020 to a young independent investigator of any nationality to conduct medical research in Belgium. This research must pertain to the topic of the international "*BAILLET LATOUR* Health Prize" for 2020, namely Metabolic Disorders. Applicants must hold a full-time position and a salary secured for at least five years beyond the beginning of the GMR and conduct their research in a Belgian University and/or University Hospital and/or a Belgian Research Institute. They must hold a Ph.D. degree awarded no more than 12 years before the deadline for application. This GMR is awarded for three years with a possible extension for two years (grand total of 750,000 Euros). Grant money can be used to meet costs of personnel (except applicant's salary), consumables and equipment. The awardee of the GMR will be selected by the international "Selection Panel of the *BAILLET LATOUR* Medical Research Awards", which also selects the winner of the Health Prize.

The next five-year grants (GMR) will be awarded for a research project on Infectious Diseases (2021), Neurological Diseases (2022), Cancer (2023), Cardiovascular Diseases (2024).

For more information (including Regulations and Application Form) go to [www.fondsbailletlatour.com](http://www.fondsbailletlatour.com).

**Deadline for applications: June 30, 2019**
